MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Robert M. Gates  
Deputy Director for Intelligence

SUBJECT: CIA Representative to Interagency Group on  
Economic Scenarios

1. Action Requested: Forward the attached letter to Treasury assigning NIO/Economics as the CIA representative to the interdepartmental group on economic scenarios.

2. Background: The interdepartmental group was established to support mobilization planning by the Emergency Mobilization Preparedness Board (EMPB). In discussions with Treasury, we found out that the economic scenario group will overlap closely with the EMPB's strategic materials task force; they may end up consolidating the two into a single group. The NIO/Economics already serves as the Agency representative on the materials task force.
